Organic Honey	350 mxn · 500gr	Espita Jungle, Yucatán
Seasonal fruits		Espita Jungle, Yucatán

Mestiza de Indias is a tropical regenerative agriculture project that sets out to recover heirloom species while aiming to combat the harmful effects of Mexico's agrochemical industry. The farm is part of a growing movement turning to ancient cultivation methods and equitable labor practices to restore the earth and provide sustenance to locals.

If desired, guided tours to the farm are organized weekly to support the project, contact us!

Purity: first, water is slowly filtered by millenary mayan rocks.

Extracted with a state-of-the-art reverse osmosis six stage filter system, the water is delivered with the highest purity for human consumption.

Water is later alkalised with elements such as calcium, potassium, sodium and magnesium.

Responsibility: thanks to Eco-One technology, the bottles are biodegradable < 5 years.

Mezcal Artesanal

Espadín or agave angustifolia, 10-year maturation, Santiago Matatlán population.

Crushed in a stone mill, baked in a deck oven, fermented in Sabino vats, double distillation in mud, master mezcalero Jose Muerto at 48°.

Aroma of cooked maguey and moist earth, visually clean and bright, on the nose citrus notes, in flavor sweet notes. It is a very smooth and easy-to-drink mezcal.
